

REPUBLICAN ★ DISTRICT 58

Dear Neighbor,

My name is Joel Bomgar, and I'm writing to let you know that I'm campaigning to be your next State Representative. After Representative Rita Martinson's decision to retire, I've spent time in prayerful consideration and made the decision to officially file as a candidate for the Republican primary in District 58, which includes parts of the City of Madison and the City of Ridgeland. Although the election is still several months away, I want to allow plenty of time to meet and hear from each and every one of you!

Will you come to one of our meet-and-greet events this month? I would be honored to meet you, and to hear your views on issues that are most important to you. We have planned several gatherings across the district, including some near your neighborhood. I hope you will be able to join us. Please feel free to bring your family and friends, or simply stop by on your way home from work for a few minutes.

I realize that a big part of being a representative is doing just that – representing You. I want to ensure that our traditional conservative values are heard at the state capitol as our community continues to grow. I'd love to talk to you and get to know you.

I hope to see you soon!
